NEWLY REMODELED STORE

Leggett Grand Opening Thursday

The newly remodeled Leggett Department Store will have its grand opening Thursday, June 3. A special ribbon cutting ceremony will take place at 10 a.m., and prizes galore will be offered during the gala three-day opening event.

The remodeling has created a three-level fashion-oriented department store approximately one-third larger than the former Leggett Store, with over 100 foot frontage on Main Street.

U. B. Morris, veteran manager of the Farmville store, says the entire first floor is now devoted to fashion, "This is one of the largest, if not largest Leggett Basement store in a town the size of Farmville on the east coast", Morris commented.

The major expansion was envisioned in 1966, when Leggett purchased the former Green Front building from R. F. Crulle. This old building was demolished last summer and the new Leggett addition constructed in its place.

This is one of a number of expansions of the Farmville store since Leggett opened its doors here in November 1946. About ten years ago Leggett completed a major program by adding a second floor, remodeling the main floor, changing the entire front, and installing elevator service to the lower level, second level and main floor.

One of the most recent improvements has been the addition of parking areas for the Leggett store. In addition to the regular parking area behind the store, an "overflow" parking lot has been constructed across South Street.

Morris Manager

U. B. Morris has been associated with the Leggett store in Farmville since its opening in 1946, except for a brief period as manager of Leggett in Chase City.

Morris was named manager of the Farmville store in 1957 and it was under his guidance that the store has almost doubled in size expansions being accomplished under his direction. He has seen the second floor added, acquired the property for the new parking facilities, and has been the guiding spirit behind the expansion and remodeling that will culminate in the grand opening Thursday.

Morris and his wife, the former Elvira Adams of Halifax County, have made their home on Fourth Avenue in recent years. They have five children, Monroe Morris, of Charlotte, N. C., who is comptroller for the Belk-Kline group of stores; Dr. K. Wayne Morris, a dentist at South Hill; Mrs. Bernice (Beenie) Franke, of Fort Worth, Tex.; Glenn, a senior in dental school in Richmond; and Miss Wanda Morris, who has just received her B. A. degree in education from Pfeiffer College, N. C. She plans to attend Lynchburg College to pursue graduate degrees.

Mr. and Mrs. Morris are the grandparents of three children; Dr. Wayne Morris with two sons, and Mrs. Franke with a daughter.

The Morris family has over 100 years perfect attendance at Sunday School!

Assistant Manager

Curtis Maupin has been assistant manager of the Farmville store since 1967, and thanks to his experience and retailing knowledge, the remodeling and grand opening preparations have proceeded smoothly.

Maupin is a 12 year veteran with the Leggett organization, starting with the downtown store in Charlottesville, where he served four years, before being transferred to Woodstock for another four year period.

He is a graduate of Albemarle High School and attended VPI. His wife is the former Judy Williams, of Suffolk, who is an elementary school teacher. They have two children Cindy, 6, and Danny, 5.
